MIN001/09/10/2025(i): INTRODUCTIONS & COMMUNICATION FROM THE CHAIR

The meeting commenced at 11:00 A.M with prayers led by Mr. Joseph Ndirangu. The Acting Chairperson, Mr. Anthony Rukwaro, the manager, welcomed the attendees and gave a geographical illustration and explanation to the citizens. He informed them that the Municipality has a Board of Members and conveyed apologies on behalf of the Chairperson and Vice-Chairperson. He gave a brief information on functions, and explained that the

Municipality is a creation of UACA Act 2011 KUSP program funds Municipalities according with population of that municipality. He also added that the purpose of the public participation was to inform, discuss the status of the projects and municipality, review of 2024/2025 achievements and annual IDEP.

MIN002/09/10/2025(ii): ANNUAL REVIEW OF THE INTEGRATED DEVELOPMENT PLAN (IDEP)

The Annual Review of the Integrated Development Plan (IDEP) was presented to the meeting for consideration. After deliberations, members of the public unanimously agreed that the current IDEP remains relevant and effective in guiding development priorities. Consequently, it was resolved that no review is necessary at this time and that the IDEP shall remain as it is.

MIN002/09/10/2025(iii): STATUS OF THE SUGGESTED PROJECTS UNDER KUSP II FUNDING

The manager, Mr. Anthony Rukwaro, highlighted the core values guiding the Nanyuki Municipality and outlined the projects and their status as follows:

Project	Category	Status
Bus Park Construction	Transport Infrastructure	Design drafted and presented to stakeholders
Streetlight Installation	Urban Safety	Mapping of the streetlights is in progress, final outlook to be presented to the public
Stadium & Social Hall Rehab	Sports & Social Dev.	Stakeholders were engaged and design drafted, to be presented to the public
Upgrading Grogon Road	Transport infrastructure	Design and Bill of Quantities finalized, awaiting funding
Likii-Grogon bridge	Transport infrastructure	Design and Bill of Quantities finalized, awaiting funding
Dumpsite Upgrade	Waste Management	Surveying and compaction done,
Slaughterhouse Rehabilitation	Public Health	Further direction needed
Drainage Upgrade	Storm water Management	Ongoing, Majengo and old market road main drainage rectified and culvert installed

He indicated further that the municipality currently need no new projects until all the prioritized projects are executed and completed.

MIN003/10/07/2025(iv): REVIEW OF THE 2024/2025 BUDGET AND THE IMPLEMENTATION

The Manager highlighted the achievements realized under the FY 2024/2025 Budget as follows:

- Construction of double culverts;

- Completion of the new market drainage system;
- Installation of cemented streetlights at the stage; and
- Regular fueling of the solid waste collection truck for night operations.

He further informed the forum that **World Bank funds** earmarked for KUSP II had not yet been disbursed, causing delays in the completion of some projects.

Mr. Peter Wahome, a Board Member, inquired about the budget allocation for solid waste management. The Manager clarified that **Kshs. 35 million** had been allocated for solid waste collection and management, while **Kshs. 77 million** from grants was set aside for municipal development but was still pending release.

The Manager also noted that all designs and Bills of Quantities for planned projects were ready, and tendering would commence upon fund disbursement, expected by **January 2026**.

He commended the **Green Army Battalion** for their diligent efforts in maintaining cleanliness across the Municipality.

MIN003/10/07/2025(iv): PUBLIC PLENARY AND RESPONSES FROM MUNICIPALITY MANAGEMENT.

A public plenary was held, during which several members of the community raised concerns. Each grievance was addressed by the Municipal Manager and other officials. The details of each issue and corresponding response have been compiled and structured under individual member contributions as follows:

MEMBER	CONCERN / GRIEVANCE	RESPONSE / CLARIFICATION
Mr. Kamau	Commended efficient garbage collection. Raised concerns about children loitering late at night and lack of clarity on County vs Municipal roles. Highlighted security challenges at the stage.	A follow-up letter will be written to relevant departments on children's safety. On boundaries, assistance is provided even beyond designated limits when necessary. Garbage collection already extends beyond some boundaries. Security matters will be forwarded to the County Security Committee.
Mr. James Munga	Raised concerns about vendors occupying walkways from Nyakio to Cedar Mall, causing obstruction and flooding.	Traders will be sensitized to maintain goods within premises. Streetlights and CCTV will be installed to improve safety.
Ms. Joyce Nderitu	Reported poor sewer lines in the Jeshi la Okovu area, leading to flooding.	The Municipality will engage NAWASCO for public

		sensitization and corrective measures.
Mr. Kamau	Proposed engagement of volunteers to manage Kanu Grounds at night.	Matter to be tabled in stakeholder meeting; two staff members already conducting site assessment.
	Requested prioritization of Trojan-Kichinjio Road.	A fund known as RMF was mentioned, supporting road works under the collaboration of Nanyuki Municipality & CGL, the road to be included in this the financial year.
Mr. Darwin	Queried the Kshs. 1.5 million budget for the dumpsite.	He was advised to write proposal to the County Assembly on the matter.
	Requested better access to Kisumu Ndogo and Majengo for fire engines.	Municipal Engineer to prepare BoQ and mapping for access improvement.
Mr. Munyi	Proposed that the dumpsite project be awarded to youth groups passionate about environmental conservation.	Proposal noted for consideration; interested youth groups encouraged to apply.
	Requested that public participation reports be shared and CGL officials be included in future meetings.	Management will ensure proper documentation and distribution of reports.
	Recommended fencing of the dumpsite to prevent unauthorized access.	Proposal adopted; fencing to be implemented subject to funding.
Likii Residents	Reported that garbage trucks were not reaching Likii Ndani and that the area lacks a proper sewerage system.	The Municipal Engineer to assess and address drainage challenges. Coordination with the Public Health Department to be initiated.
Ruai Residents	Raised concern over poor drainage and lack of a health center that was proposed way back.	Health Department to be engaged on establishment of the proposed health facility.
	Reported that the PCEA Bethany ECD the toilets are overflowing during rains.	The issue will be addressed under the sanitation improvement plan.
	Requested installation of free toilets at Kanu Grounds and the Main Stage.	The upcoming Bus Park Project includes construction of free public toilets.

	Lack of sanitary bins in public toilets at the Social Hall.	The Environment Department to provide sanitary bins promptly.
	Complaints about KICC dumping waste and unemptied garbage tanks in Majengo and Market areas.	A letter was previously sent to KICC; follow-up ongoing. Garbage tanks to be emptied regularly. Burning of waste within residential areas to cease immediately.

MIN003/10/07/2025(v): ANY OTHER BUSINESS (A.O.B)

Mr. Darwin informed the forum that a youth tournament would be held on **18th October 2025** to encourage voter registration. He requested use of the stadium for the event, which was approved, subject to coordination with the **Social Development Officer**.

Members were also informed that a **People’s Assembly** would be held on **24th October 2025**, from **9:00 a.m. to 10:00 a.m.**

MIN003/10/07/2025(vi): ADJOURNMENT

The Municipal Manager, **Mr. Anthony Rukwaro**, thanked all attendees for their active participation and constructive contributions toward the development of Nanyuki Municipality.

The meeting was adjourned at **2:30 p.m.** with a word of prayer.
